“Loon Sound”

Toddy Pond

Surry, Maine

Loon Sound Cottage blends the enjoyment of both fresh water and coastal environments. While gracing the shores of Toddy Pond, a nearly 2000 acre, 10 mile long lake, Loon Sound Cottage is but a short drive away from two of Maine’s most spectacular coastal regions, east to Bar Harbor/Acadia, or south to the Blue Hill Peninsula (including Blue Hill, Castine, Deer Isle, and Stonington). This newly renovated 1+ bedroom cottage sleeps 2 to 4 (1 bedroom - queen bed, futon in living room).
