The Cottage: Follow Rte. 15 south towards Stonington. Go left (east) on Oceanville Road. Go right on Fire Lane 24 (Spruce Harbor Trail) - if you get to small bridge, you just missed Firelane 24. Follow signs to “The Petersons.” You will approach two forks in the road - veer to the right at each fork. The second "fork to the right" will take you in to the Peterson's family property. The first house to the left is a family property (not rented). Your rental property, The Cottage, will be straight ahead.
