

**The Repecharge:** Follow Rte. 15 through downtown Stonington. Go straight past the Opera House on to Main Street. Go Left on to West Main Street, then an immediate right on Arvard Street. Go straight up to 6 Arvard (house with oars on front peak).

**Parking:** The diagram below shows The Repecharge (in red). There is a parking area to the right of the cottage. Please do not block the right of way just behind a small garage (marked in green below) which provides access to a neighboring property (in blue). Thank you.
